THE MARYLAND STATE COMMISSION ON CRIMINAL SENTENCING POLICY

Establishment and Charge of the State Commission

The Maryland General Assembly created the Maryland State Commission on Criminal Sentencing Policy (MSCCSP) in May 1999. In July 1999, the MSCCSP formally replaced its predecessor advisory commission, the Maryland Commission on Criminal Sentencing Policy. The governing legislation for the MSCCSP, located in Subtitle 2 of Title 6 of the Criminal Procedure Article of the Code of Maryland (Statutes) sets out six legislative goals for sentencing in Maryland, expressing the General Assembly's intention that:

- (1) sentencing should be fair and proportional and that sentencing policies should reduce unwarranted disparity, including any racial disparity, in sentences for criminals who have committed similar crimes and have similar criminal histories;
- (2) sentencing policies should help citizens to understand how long a criminal will be confined;
- (3) sentencing policies should preserve meaningful judicial discretion and sufficient flexibility to allow individualized sentences;
- (4) sentencing guidelines be voluntary;
- (5) the priority for the capacity and use of correctional facilities should be the confinement of violent and career criminals; and
- (6) sentencing judges in the State should be able to impose the most appropriate criminal penalties, including corrections options programs for appropriate criminals.

The MSCCSP was designed and authorized with the purpose of fulfilling those legislative intentions.
